

2010 Tailhook Reunion

Our Tailhook reunion was an unqualified success! The host hotel counted total attendees on Friday, the peak night. This year, 3,650 Tailhookers enjoyed the "Bug" Roach Mixer and the hospitality suites until early morning. Every year we continue to provide an opportunity for the junior officers to speak to Navy leadership, heroes of Naval Aviation and industry representatives. For the first time this year the symposium was available live over the Internet. During the two-day event, more than 500 Tailhookers logged on to see the briefings and panels. To see what you missed, visit the Tailhook Association Web site to view selected photographs, videos from the reunion and the briefs given by each presenter. The Tailhook Reunion is unique. You have the opportunity to attend next year (8-11 September 2011) at John Ascuaga's Nugget in Reno/Sparks, Nevada. Don't miss it.
